The Solution

Client matters come first.

Organize all of your information by matter—contacts, meetings, tasks, expenses, notes, and documents specific to that case.

Effortlessly generate bills.

Quickly generating a bill—generate professional looking invoices for an entire month's worth of clients with the click of a button.

Develop stronger client relationships.

Impress your clients and stand apart from the competition—communicate and exchange key documents, dates, tasks, and communications from any device, wherever you are.

Unclutter your universe.

Stay on top of tasks so nothing falls through the cracks—track critical deadlines, monitor and assign team tasks, and ensure that work is efficiently tracked and billed.

Results? Superior client relationships. Increased productivity. Continuous GROWTH.
